## **MOTIVATION**

As an experienced professional in the ICT and management sector, I am driven by a passion for leveraging technology to drive business success. I thrive in dynamic, fast-paced environments where I can apply my technical expertise and strategic thinking to solve complex challenges and optimize organizational efficiency.

## **OBJECTIVES**

To secure a senior-level position in ICT management where I can utilize my extensive experience in IT systems, project management, and business process improvement to contribute to the growth and success of a forward-thinking organization. I aim to apply my strong leadership skills, problem-solving abilities, and collaborative mindset to drive digital transformation and enhance operational excellence.
